Dated: 08/07/2018

**Notice Regarding List of Applied Research Project(s) in the Area of Renewable Energy
that Passed Primary Screening and Evaluation Process**

Bangladesh Energy and Power Research Council invited applied research project proposals in the area of Renewable Energy on January 03, 2018.

List of applied research project(s) in the area of Renewable Energy that passed the Primary Screening and the Evaluation process:

SL.	Title of the Project	Name of the Organization	Current Status
1	Integrated Concept for Converting Solid Waste to Energy (InConSolE) – Waste to Biocoal for Power Generation	BUET	Negotiation Completed
2	Biogas Production through Anaerobic Digestion of Tannery Solid Waste: A Waste-to-Wealth Approach	Dhaka University	Negotiation Completed
3	Power Production by Liquid Fuels Derived from Co-Pyrolysis of Biomass and Municipal Solid Wastes (MSW)	RUET	Negotiation in Progress
4	Development of a Renewable Energy-based Food Preservation System for Bangladesh	RUET	Negotiation in Progress
5	Eco-friendly Biofuel Production from Municipal Solid Waste and Biomass (B-MWB)	Dhaka University	Negotiation in Progress
6	Design and development of a strategic flow-acceleration system to maximize the power output of a conventional open (bare) wind turbine in context of Bangladesh	BUET	Negotiation in Progress

Md.A.Zafor Sarker
Secretary (Deputy Secretary)
Bangladesh Energy and Power Research Council
