## Congratulatory Message from BEPRC

The Bangladesh Energy and Power Research Council (BEPRC) is proud to announce that **Dr. Md. Rafiqul Islam, Member (Innovation) – Additional Secretary**, has been appointed as an *Associate Editor of the esteemed American Journal of Modern Energy*, published by the Science Publishing Group.

This prestigious appointment is a momentous achievement and a significant milestone for Bangladesh, as Dr. Islam is believed to be the first Bangladeshi to receive such an honour on the editorial board of this renowned international journal. His selection reflects not only his personal academic excellence but also Bangladesh's growing contribution to global energy research and innovation.

Dr. Islam has dedicated nearly 18 years of his distinguished career in advancing energy security under the Ministry of Power, Energy and Mineral Resources. His unwavering commitment to sustainable energy solutions and his contributions to national energy policy have made a profound impact on the sector.

The BEPRC family takes immense pride in this remarkable recognition. We extend our heartfelt congratulations to **Dr. Md. Rafiqul Islam** and wish him continued success and honour in his future endeavours.

May his journey ahead be even more prosperous and impactful.
